

SVIATOSLAV HENYK
Senior Associate

Practice areas

Sviatoslav focuses on Antitrust and Competition matters. Sviatoslav has extensive experience (8+ years) in dealing with Antitrust and Competition matters in Ukraine. His experience includes representing and advising multinational companies in terms of antitrust investigations, state aid, and merger control proceedings. He has advised and represented various clients from a wide range of industries and economic sectors: from local logistics market leaders to top Fortune 500 list companies. Mr. Henyk has also advised clients on Antitrust and Competition compliance matters, including the review of distribution models and conduction of comprehensive Antitrust and Competition due diligence tests and audits.

Sviatoslav is also actively involved in advising on Corporate and M&A as well as Commercial matters.
