

STANISLAV RODIONOV

Senior Associate

Practice areas

Stanislav focuses primarily on English law governed M&A transactions happening in Ukraine. Stanislav's area of expertise does also include advising on various corporate and commercial matters.

Education

- Taras Shevchenko National University of Kyiv, Master of Laws, 2014

Recent experience includes advising:

- **UDP Renewables**, a Ukrainian renewable energy project developer, in connection with the development and operation of wind energy projects in Ukraine, as well as the sale of wind power plant projects to foreign and local investors.
- **A British investment fund focused on RES**, on the formalisation of their participation in a solar energy project which included (i) finalising and arranging for the execution of a shareholders agreement with the project partners and (ii) supporting the shares transfer transactions related to the same (drafting transaction documents, arranging for the closing of the transaction etc.).
- **A Polish construction company**, on various corporate and commercial matters related to the development of a RES project in Ukraine.
- **A Ukrainian subsidiary of a global merchant firm that is involved in agriculture, food processing**, on advising and drafting relevant agreements in connection with the contemplated intra-group cross-border debt restructuring and subsequent capital increase in one of the Ukrainian legal entities of the group through the debt-to-equity mechanism.
- **Hero Future Energies, a part of Hero Group, one of the top recognized industrial conglomerates of India, with operating plants in wind, grid-connected solar and rooftop solar**, on updating ownership structure and UBO(s) information and documents with Ukrainian corporate register.
- **Nebras Power** on its acquisition of a stake in several solar projects from UDP Renewables.
- **A renewable energy producer** on contemplated sale of a stake for the purpose of subsequent construction and operation of a 75MW solar power plant.
- **A Saudi investment company** on the acquisition of a solar power plant in Kyiv region.
- **An international financial institution** on its potential investment in a company with iron ore production assets in Ukraine.
- **An international agriculture trader** in connection with the proposed acquisition of a seaport terminal in Ukraine.

- **An oil & gas company** in connection with a highly complex JV project, with multiple UBOs, worth approx. USD 56 million drafting and negotiating English-law governed transaction documents.
